

Worlds Finest Chocolate - PARENTS

PARENT'S
ON THEIR
OWN

B

**Worlds
Finest
Chocolate**

- 40% PROFIT
- OPTION1: PARENTS DO THIS ON THEIR OWN; PICK UP AT LOCAL STORES (they pay for the chocolate at pick up and remit their profit earned online to their orange sky account; no \$ or chocolate goes thru school)
- OPTION 2: SCHOOL ORDERS & COLLECT \$\$ (we ship chocolate to school, no payment required up front, parents "check out" chocolate and remit \$ to school, at end school remits cost portion to WFC & profit portion to Orange Sky)

How it works:

1. You/teachers send home a letter letting parents know they can run a Worlds Finest fundraiser ON THEIR OWN
2. The letter explains the cost / profit & name/address/ phone of all local stores
3. Parents go to store and pick up box(es) at a time that suits them
4. They will pay the store the COST of the chocolate (\$36)...no shipping ...no tax
5. They then sell the chocolate on their own
6. Once done, they remit their profit earned online direct to their orange sky account
7. They can do this for whatever time period they want. Some parents get one or two boxes to help cover a payment. Some parents sell "ongoing" to chip away trip cost.

That's it!

This is simply an opportunity you share with parents in an effort to help them offset their students trip cost.

WORLD'S FINEST CHOCOLATE FUNDRAISER

Parents:

We are pleased to offer a terrific fundraising opportunity that you can do **ON YOUR OWN...ANYTIME & ANYWHERE!**

The chocolate everyone loves...Wolds Finest Chocolate!

- ▶ **NO minimum order quantity**
- ▶ **NO shipping charge**
- ▶ **Pay at time of pick up: \$36 per box with cash, card, or check**
- ▶ **If picking up more than 10 boxes, I recommend calling before.**
- ▶ **They stock the "\$1 Blue Variety Box"**
- ▶ **You pay the \$36 cost up front.**
- ▶ **When you sell the 60 bars (sell for \$2 each), you reimburse yourself the \$36 cost and profit \$24.**

PROFIT GUIDE

1 box =	\$24
2 boxes =	\$48
3 boxes =	\$72
4 boxes =	\$96
5 boxes =	\$120
6 boxes =	\$144
8 boxes =	\$192
10 boxes =	\$240
