How it Works:

1. You/teachers share the shopping link with parents / students
2. I'll provide you a "parent letter" you can print and send home
3. I'll provide you with templates you can use for email and/or share on your class app
4. Parents go online, "register" their student and "share" their link with their friends and family
5. When supporters shop online and support, their order SHIPS DIRECT TO THEIR home (and they get free shipping at \$95). Nothing ships to the School. (unless you selected this option)
6. Students earn up to 50% profit from all purchases and 70% from donations.
7. You can view students sales/profit live anytime (parents too)
8. At the end of the fundraiser (about 2 weeks after the end date):
 - Believe will email Orange Sky Travel a profit check for your groups total profit earned
 - I will email both you & Orange Sky a list of students participating and their profits earned
 - Orange Sky Travel (Meghann McCall) will apply those profits earned direct to each students account

That's it. Totally hands off for you guys while also giving the families that need the extra help the opportunity to offset their costs :)

Regarding Order Deliveries (2 options):

1. **Ship to home ONLY:** orders will ship within 7-14 business days from the order date direct to the supporters requested address (the ordering customer gets an email confirmation with tracking # as long as they provided their email address when placing order).

>>supporter pays shipping OR gets free shipping with order of \$95+

2. **Ship to home & school. This is what most schools do (no cost to school).** This allows the supporter to CHOOSE if they want their order shipped to their home OR to the school.

If the order is under \$95, there is a shipping free; If over \$95, shipping is free.

If shipped to school, the shipping fee is only 5%. (So a lesser fee)

Schools like to offer this option for supporters ordering with under \$95.

Example: A supporter wants to order one one roll of gift wrap for \$10. They'd end up paying \$8.99 in shipping...so \$19 total. BUT with "ship to school" option they only pay the processing fee) which is 5% of total...so in this example, it would be .50 cents...so \$10.50 total.

All the "ship to school" orders would:

- Ship all at one time
- About 3 weeks AFTER the fundraiser end date
- Arrive Bagged and labeled "by student"

Parent Pick Up
& In-Hand

Worlds Finest Chocolate

- 40-50% PROFIT
- OPTION 1: PARENTS DO THIS ON THEIR OWN; PICK UP AT LOCAL STORES (they pay for the chocolate at pick up and remit their profit earned online to their orange sky account; no \$ or chocolate goes thru school)
- OPTION 2: SCHOOL ORDERS & COLLECT \$\$ (we ship chocolate to school, no payment required up front, parents "check out" chocolate and remit \$ to school, at end school remits cost portion to WFC & profit portion to Orange Sky)

How it works:

1. You/teachers send home a letter letting parents know they can run a Worlds Finest fundraiser ON THEIR OWN
2. The letter explains the cost / profit & name/address/ phone of all local stores
3. Parents go to store and pick up box(es) at a time that suits them
4. They will pay the store the COST of the chocolate (\$36)...no shipping ...no tax
5. They then sell the chocolate on their own
6. Once done, they remit their profit earned online direct to their orange sky account
7. They can do this for whatever time period they want. Some parents get one or two boxes to help cover a payment. Some parents sell "ongoing" to chip away trip cost.

That's it!

This is simply an opportunity you share with parents in an effort to help them offset their students trip cost.

Parent Pick Up
& In-Hand

Worlds Finest Chocolate

- 40-50% PROFIT
- OPTION 1: PARENTS DO THIS ON THEIR OWN; PICK UP AT LOCAL STORES (they pay for the chocolate at pick up and remit their profit earned online to their orange sky account; no \$ or chocolate goes thru school)
- OPTION 2: SCHOOL ORDERS & COLLECT \$\$ (we ship chocolate to school, no payment required up front, parents "check out" chocolate and remit \$ to school, at end school remits cost portion to WFC & profit portion to Orange Sky)

How it works:

1. You/teachers send home a "permission slip" asking parents IF they want a box of chocolate to support their students field trip....about 2 weeks before planned start date
2. I ship chocolate to the school (to cover requested boxes PLUS some extra...not all parents "read" information sent home but once they SEE the boxes going home, they'll want it)
3. I provide you a "tally sheet" (paper and excel) so you can track "boxes out" and "money in"
4. Students get ONE BOX at a time.
5. You tell them they have ONE WEEK per box checked out to return funds
6. As soon as they turn their \$\$ in, they can check out another box.
7. They can sell as many boxes as they wish during the set fundraiser time period (2 weeks)
8. Some teachers question "what if students don't return the money". This is a risk when running a "general funds" fundraiser. However, since 100% of profits earned directly benefit their accounts, it is not an issue.
8. At the end of the fundraiser (about 2 weeks after the end date):
 - I will send you an invoice from Worlds Finest Chocolate for the "cost" portion (50-60% based on order size)
 - Bookkeeper will remit payment for COST to Worlds Finest Chocolate & then the balance/profit (40-50%) to Orange Sky Travel
 - If you prefer, I can invoice you for for 100% of funds collected ...and then "I" will remit payment for chocolate to Worlds Finest Chocolate & payment for profit to Orange Sky Travel
 - Orange Sky Travel (Meghann McCall) will apply profits earned direct to each students account
